

JIYOUNG PARK

School of Digital Humanities and Computational Social Sciences
Korea Advanced Institute of Science and Technology
Email: j-park@kaist.ac.kr
Phone: +82-10-2576-2375

PROFESSIONAL APPOINTMENTS

2023 – Present Associate Professor, School of Digital Humanities and Computational Social Sciences, Korea Advanced Institute of Science and Technology
2017 – 2023 Assistant Professor, Department of Psychology, University of Texas at Dallas
2015 – 2017 Assistant Professor, Department of Psychological and Brain Sciences, University of Massachusetts, Amherst
2013 – 2015 Postdoctoral Scholar, Department of Psychiatry, University of California, San Francisco
2012 – 2013 Postdoctoral Scholar, Department of Psychology, University of Michigan

EDUCATION

2006 – 2012 Ph.D., Psychology, University of Michigan
2004 – 2006 M.A., Psychology, Seoul National University, Korea
2000 – 2004 B.A., Psychology, *summa cum laude*, Seoul National University, Korea

GRANTS

2022 – 2023 Social Sciences Grant, University of Texas at Dallas: When our feelings leak out to influence others: Cultural modulation of affect contagion (Role: PI; \$8,000 awarded)
2016 – 2020 National Science Foundation (NSF BCS-1628458): How past collective trauma of suffering and perpetrating intergroup violence can facilitate or prevent intergroup violence in the present (Role: Consultant; \$654,583 awarded)
2017 – 2018 National Institute of Aging (5R37AG027343): Midlife health in Japan (MIDJA) and the U.S. (MIDUS) (Role: PI of a subcontract; \$28,098 awarded for the subcontract out of \$557,682 of total award)
2013 – 2015 National Institute of Mental Health, T32: Psychology and medicine: Translational research on stress, behavior and disease, University of California, San Francisco (Role: Postdoctoral trainee)
2011 Dissertation/Thesis Grant (\$1,000), University of Michigan
2010 Rackham Graduate Student Research Grant (\$3,000), University of Michigan

HONORS AND AWARD

2017 – 2020 Rising STARS (Faculty Science and Technology Acquisition and Retention) Award (\$250,000) by the University of Texas System
2012 Psychology Dissertation Fellowship, University of Michigan
2012 Student Travel Award, International Cultural Neuroscience Consortium
2011 Rackham Conference Travel Award, University of Michigan
2010 Rackham Conference Travel Award, University of Michigan
2010 Young Scholar Travel Award, National Institutes of Health and the Research Center for Group Dynamics, University of Michigan
2009 Rackham Conference Travel Award, University of Michigan
2006 – 2011 Korea Foundation for Advanced Studies Scholarship (scholarship and tuition expenses for graduate studying at the University of Michigan for five years)

PUBLICATONS

Total publications = 43, Peer-reviewed journal articles = 36, Book chapters = 7, Citations = 5,752, h-index = 24 (Source: Google Scholar, June 27th, 2023)

† = Current or former student co-author

* = Corresponding author

MANUSCRIPTS UNDER REVIEW

1. ***Park, J.**, & †Zhu, Y. (under review). Mortality risk of loneliness: Culture matters.
2. Suo, P., **Park, J.**, & Kitayama, S. (under review). Purpose in life and stress susceptibility: Moderation

by culture and social status.

3. Hong, S., Moon, H., Jang, J., Choi, J., & **Park, J.** (under review). Angry leaders and coworkers: Cross-cultural social outcomes of anger expression by high-status and equal-status counterparts.
4. Yu, Q., **Park, J.**, Neblett, E., & Kitayama, S. (under review). Perceived discrimination is linked to resilience and reduced mortality risk for Black Americans.
5. Kretchner, M., Hirschberger, G., Leidner, B., Lifshin, U., McLamore, Q., & **Park, J.** (under review). Transforming the effects of historical victimization on intergroup relations: The role of attachment security and cardiovascular challenge.

CONFERENCE TALKS AND INVITED COLLOQUIA

1. †Li, Y., Ishii, K. & **Park, J.** (2023, Feb). *Relational mobility and smile detection: The moderating role of culture*. Paper presented at the Advances in Cultural Psychology Preconference at the annual meeting of the Society for Personality and Social Psychology, Atlanta, GA.
2. **Park, J.** (2022, Nov). *Health impact of negative psychological states: Toward a functionalist theory*. Invited talk at the Department of Psychology, Seoul National University, Korea.
3. **Park, J.** (2021, Nov). *Negative emotions and socio-cultural adaptation: Toward a functionalist theory*. Invited talk at the Department of Psychology, Seoul National University, Korea.
4. **Park, J.** (2021, Oct). *Are negative emotional states always maladaptive? Socio-cultural shaping of emotional processing*. Invited virtual talk at the Department of Psychology, Davidson College, NC.
5. **Park, J.** (2020, Feb). *The influence of masculine faces on social identity threat among women in STEM: An event-related brain potential (ERP) investigation*. Invited talk for the Gender Studies Lecture Series at the Center for Gender Studies, University of Texas at Dallas, Richardson, TX.
6. Kitayama, S., & **J. Park.** (2020, Feb). *What makes human culture metabolically sustainable?* Invited talk for the Foundation for Psychocultural Research (FPR) Culture, Mind, and Brain Inaugural Network Meeting, University of California, Los Angeles, CA.
7. **Park, J.** (2019, Nov). *When watching eyes of men evoke social identity threat: Social neuroscience investigations*. Invited talk for the November Scholar's Day event, University of Texas at Dallas, Richardson, TX.
8. **Park, J.**, & Kitayama, S. (2019, Oct). *Privilege or burden? People with high social status are less healthy in Japan*. Paper presented at the annual meeting of the Society for Experimental Social Psychology, Toronto, CA.
9. †Wu, D., Dasgupta, N., **Park, J.**, Torgrimson, S. J., & McDermott, J. M. (2019, May). *Social identity threat among females in STEM-related contexts in young children and college students: A behavioral, emotional, and neurological investigation*. Paper presented at the annual meeting of the Association for Psychological Science, Washington D.C.
10. **Park, J.** (2019, Apr). *Cultural neuroscience of self-threat: Event-related brain potential (ERP) investigations*. Invited talk for the Diversity Colloquium Series, University of Hawaii at Manoa, HI.
11. **Park, J.** (2019, Mar). *When watching eyes of men evoke stereotype threat: An event-related brain potential (ERP) investigation*. Invited talk at the Developmental, Cognitive & Social/Personality Series, University of Texas at Dallas, TX.
12. Kitayama, S., & **Park, J.** (2019, Mar). *Culture moderates the link between personality and biological health: A US-Japan Comparison*. Paper presented at the annual meeting of the International Convention of Psychological Science, Paris.
13. **Park, J.**, & Kitayama, S. (2018, Oct). *Feeling bad is not always bad: Cultural moderation of the link between negative affect and diurnal cortisol profiles*. Paper presented at the annual meeting of the Society for Experimental Social Psychology, Seattle, WA.

14. **Park, J.** (2018, Sep). *Cultural shaping of emotional processing: A cultural neuroscience approach*. Invited talk at the Science Luncheon Series at the Center for Vital Longevity, University of Texas at Dallas, TX.
15. **Park, J.** (2018, May). *Cultural neuroscience of self-threat: Event-related brain potential (ERP) investigations*. Invited talk at the bi-annual meeting of the Korean Society for Social and Personality Psychology, Seoul, Korea.
16. **Park, J.** & Kitayama, S. (2018, May). *Health correlates of personal vs. social purpose in life: A U.S.-Japan comparison*. Invited talk at the MIDUS (Midlife in the United States) meeting, University of Wisconsin, Madison, WI.
17. Kitayama, S., & **Park, J.** (2018, May). *Culture, personality, and biological health*. Invited talk at the MIDUS (Midlife in the United States) meeting, University of Wisconsin, Madison, WI.
18. **Park, J.** (2018, April). *Cultural shaping of emotional processing: A cultural neuroscience approach*. Invited talk at the Frontiers Lecture Series at the Center for Brain Health, University of Texas at Dallas, TX.
19. Kane, H., & **Park, J.** (2018, Mar). *The mediating role of sleep on the link between negative affect and biological health risk: A U.S.-Japan comparison*. Paper presented at the annual meeting of the American Psychosomatic Society, Louisville, KY.
20. **Park, J.** (2018, Jan). *Cultural neuroscience of threat: Event-related brain potential investigations*. Invited talk at the symposium, "How do culture and race impact the brain, body, and behavior?" organized by the Department of Psychology, Brandeis University, MA.
21. **Park, J.** (2017, Nov). *Cultural shaping of emotional processing: A cultural neuroscience approach*. Invited talk at the Social Psychological Brown Bag at the Department of Psychology, University of Michigan, MI.
22. †Wu, D., & **Park, J.** (2017, June). *Emotions and collective action after the election: Gender matters*. Paper presented at the annual meeting of the Society for the Psychological Study of Social Issues, Albuquerque, NM.
23. **Park, J.** (2017, April). *Privilege or burden? Culture and gender moderate health correlates of subjective social status*. Invited talk at the MIDJA (Midlife in Japan) meeting, Kyoto University, Kyoto, Japan.
24. **Park, J.** (2017, April). *Anger expression and biological health: The socio-cultural moderation*. Invited talk at the MIDJA (Midlife in Japan) meeting, Kyoto University, Kyoto, Japan.
25. †Ge, F., & **Park, J.** (2017, April). *Cultural differences in interpersonal hedonic emotion regulation in romantic relationships: Implications for emotional and relationship well-being*. Paper presented at the 2017 Affective and Behavioral Regulatory Processes mini-conference, Rutgers University, New Brunswick, NJ.
26. †Ge, F., **Park, J.**, & Pietromonaco, R. P. (2017, Jan). *How you talk about it matters: Cultural-fit hypothesis of communication in the context of romantic relationships*. Paper presented in the symposium "Beyond the individual: The impact of culture on close relationships" chaired by †Ge, F. (Chair) & **Park, J.** (Co-Chair) at the annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.
27. **Park, J.** (2017, Jan). *Cultural moderation of the link between anger expression and health: Evidence from epidemiological and experimental studies*. Paper presented at the Training Social Psychology Preconference at the annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.
28. **Park, J.** (2017, Jan). *Cultural shaping of emotional processing: A cultural neuroscience approach*. Invited talk at the colloquium for the Department of Psychology, Northeastern University, MA.
29. **Park, J.** (2016, Mar). *Is negative affect bad for all? Culture moderates the link between negative affect and diurnal cortisol responses*. Invited talk at the MIDJA (Midlife in Japan) meeting, Tokyo

University, Tokyo, Japan.

30. **Park, J.** (2015, Oct). *Cultural shaping of emotional processing: A cultural neuroscience approach*. Invited talk at the colloquium for the Department of Psychology, University of Connecticut, MA.
31. **Park, J.** & Kitayama, S. (2014, July). *Neural response (ERN) reveals self-centric motivation: Culture matters*. Paper presented at the annual meeting of the International Association for Cross-Cultural Psychology, Reims, France.
32. **Park, J.** & Kitayama, S. (2014, May). *Anger expression, social status, and health: Insights from MIDUS and MIDJA*. Invited talk at the MIDUS (Midlife in the United States) meeting, University of Wisconsin, Madison, WI.
33. Kitayama, S. & **Park, J.** (2013, Jan). *Culture, hierarchy, and health: Subjective social status and inflammation in Japan and the United States*. Invited talk at the seminar series in Institute of Social Research (ISR), Research Center for Group Dynamics, University of Michigan, Ann Arbor, MI.
34. **Park, J.** & Kitayama, S. (2012, May). *Culture moderates the relationship between social support and health: Social support and diurnal cortisol secretion in Japan and the U.S.* Invited talk at the MIDUS (Midlife in the United States) meeting, University of Wisconsin, Madison, WI.
35. **Park, J.** (2012, Aug). *Cultural variations in the self and underlying neural mechanisms: Implications for cognition, emotion, and motivation*. Invited talk at the colloquium for the Department of Psychology, Seoul National University, Seoul, Korea.
36. **Park, J.** (2012, Aug). *Cultural variations in the self and underlying neural mechanisms: Implications for cognition, emotion, and motivation*. Invited talk at the colloquium for the Department of Psychology, Sogang University, Seoul, Korea.
37. **Park, J.** & Kitayama, S. (2012, April). *Neural response (ERN) reveals self-centric motivation: Culture matters*. Paper presented at the annual meeting of the Social and Affective Neuroscience Society, New York, NY.
38. **Park, J.** & Kitayama, S. (2012, April). *Culture, social class, and anger: Anger as vented frustration or as a dominance display*. Paper presented at the Center for Culture, Mind, and the Brain Annual Conference, University of Michigan, Ann Arbor, MI.
39. **Park, J.** & Kross, E. (2012, Jan). *Stepping back to move forward: Self-distancing mediates the meaning-making effects of expressive writing*. Paper presented in the symposium "Meaning-making: From theory to intervention" chaired by **J. Park** (Chair) & E. Kross (Co-Chair) at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.
40. **Park, J.** & Kitayama, S. (2011, April). *Face priming and culture modulate error-related negativity (ERN)*. Paper presented at the Center for Culture, Mind, and the Brain Annual Conference, Ann Arbor, MI.
41. Kitayama, S. & **Park, J.** (2011, April). *Culture, social class, and anger: A US-Japan comparison*. Invited talk at the MIDUS (Midlife in the United States) meeting, University of Wisconsin, Madison, WI.
42. **Park, J.** & Kross, E. (2010, November). *Psychological distancing and frontal cortical responses to happy memories among bipolar patients and healthy control participants*. Paper presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, San Francisco, CA.
43. **Park, J.** & Kitayama, S. (2010, May). *Face priming modulates ERN in culture-specific ways*. Paper presented at the annual meeting of the Association for Psychological Science, Boston, MA.
44. **Park, J.** & Kitayama, S. (2009, Nov). *Face priming modulates ERN in culture-specific ways*. Paper presented at the joint workshop between the University of Michigan and Kwansai Gakuin University, Ann Arbor, MI.

CONFERENCE POSTER PRESENTATIONS

1. †Li, Y. & **Park, J.** (2023, Feb). *Immediate and sustained effects of expressive suppression and reappraisal: A cultural neuroscience approach*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Atlanta, GA.
2. †Zhu, Y. & **Park, J.** (2023, Feb). *When our emotions are in sync: Interdependence and affect contagion among romantic couples*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Atlanta, GA.
3. †Zhu, Y. & **Park, J.** (2022, Feb). *Culture moderates the morality risk of loneliness: A cross-cultural comparison in four countries*. Poster presented at the Advances in Cultural Psychology Preconference at the annual meeting of the Society for Personality and Social Psychology, San Francisco, CA.
4. †Li, Y., †Peterson, C., & **Park, J.** (2022, Feb). *Who are more vigilant to others' suffering? Cultural differences in sensitivity to the appearance of sadness*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, San Francisco, CA.
5. Suo, T., **Park, J.**, & Kitayama, S. (2022, Feb). *Will purpose buffer stress? Moderation by culture and education attainment*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, San Francisco, CA.
6. †Zhu, Y., †Martin, A., **Park, J.**, & Kane, H. (2021, Feb). *Stress mediates the relationship between emotion suppression and sleep: A moderating role of culture*. Poster presented at the virtual annual meeting of the Society for Personality and Social Psychology.
7. Suo, T., **Park, J.**, & Kitayama, S. (2020, Oct). Purpose in life predicts reduced daily stress among Americans, but not Japanese. Data blitz presented at International Cultural Neuroscience Society, virtual conference.
8. †Zhu, Y., †Martin, A., **Park, J.**, & Kane, H. (2020, Feb). *Cultural moderation of the link between emotion suppression and sleep*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, New Orleans, LA.
9. †MacLamore, Q., Leidner, B., **Park, J.**, Li, M., Hirschberger, G., & Beals, K. (2020, Feb). *Challenge vs. threat states as predictors of individual differences in defensive responses to ingroup-perpetrated violence*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, New Orleans, LA.
10. †Chen, X., **Park, J.**, & Kwak, Y. (2019, Mar). *Culture modulates neural correlates of self-enhancement: An ERP investigation*. Poster presented at the annual meeting of the International Convention of Psychological Science, Paris.
11. †Wu, D. J., Dasgupta, N., **Park, J.**, Torgrimson, S.J., & McDermott, J.M. (2019, Feb). *Social identity threat among females in STEM-related contexts in young children and college students: A behavioral, emotional, and neurological investigation*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Portland, OR.
12. †Ge, F., & **Park, J.** (2018, Mar). *Cultural differences in interpersonal hedonic emotion regulation in romantic relationships*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Atlanta, GA.
13. Seymour, M. J., Kitayama, S., & **Park, J.** (2018, Mar). *Self-reported purpose in life as a predictor of biological health*. Poster presented at the Advances in Cultural Psychology Preconference at the annual meeting of the Society for Personality and Social Psychology, Atlanta, GA.
14. †Wu, D. J., **Park, J.**, & Dasgupta, N. (2018, Mar). *The effects of face priming on stereotype threat: An ERP investigation*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Atlanta, GA.
15. †Wu, D. J., & **Park, J.** (2017, May). *Gender differences in emotional reactions following the 2016 presidential election: Implications for collective action*. Poster presented at the annual meeting of the Association for Psychological Science, Boston, MA.

16. Uchida, Y., Kitayama, S., Akutsu, S., **Park, J.**, & Cole, S. W. (2017, Jan). *Will dispositional optimism longitudinally promote health? Exploration of a molecular mechanism*. Poster presented at the Cultural Psychology preconference at the annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.
17. Boylan, J. M., Kitayama, S., **Park, J.**, Miyamoto, Y., Levine, C., Markus, H. R., . . . Ryff, C. D. (2016, Mar). *Anger expression and ill-health in two cultures: An examination of inflammation and cardiovascular risk*. Poster presented at the annual meeting of the American Psychosomatic Society, Denver, CO.
18. †Ge, F., Pietromonaco, R. P., & **Park, J.** (2016, Jan). *Cultural differences in communication styles and romantic relationship quality*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.
19. **Park, J.**, Flores, A., Woolley, J., & Mendes, W. B. (2015, Feb). *Does oxytocin increase trust in cross race interactions? The effects of oxytocin on African Americans' physiological, cognitive, and behavioral responses during inter-racial interactions*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Long Beach, CA.
20. **Park, J.**, Lee, S. D., Shablock, H., Verduyn, P., & Kross, E. (2014, Feb). *Perceived social support from Facebook friends matters: Facebook social support networks among people with depression*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Austin, TX.
21. **Park, J.**, & Kitayama, S. (2013, Jan). *Social status and anger expression: The cultural moderation hypothesis*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, New Orleans, LA.
22. **Park, J.** & Kitayama, S. (2012, Jan). *Neural response (ERN) reveals self-serving bias: Culture matters*. Poster presented at Cultural Psychology Preconference at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.
23. Chun, J., **Park, J.**, O'Donnell, L., Kross, E., McClinnis, M., Manschreck, T., & Deldin, P. (2011, Sep). *Association between emotional reactivity over frontal area and cognitive inhibition in bipolar I disorder*. Poster presented at the annual meeting of the Society for Research in Psychopathology, Boston, MA.
24. †Gong, E. S., **Park, J.**, & Kitayama, S. (2011, April). *For myself or for my friend? Cultural modulation of error-related negativity (ERN) as an index of decision significance*. Poster presented at the Center for Culture, Mind, and the Brain Annual Conference, University of Michigan, Ann Arbor, MI.
25. Murata, A., **Park, J.**, & Kitayama, S. (2011, April). *Cultural difference in neural pathways underlying attentional control: fNIRS investigation*. Poster presented at the Center for Culture, Mind, and the Brain Annual Conference, Ann Arbor, MI.
26. **Park, J.**, Kross, E., & Ayduk, O. (2011, January). *The effects of expressive writing on self-distancing*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.
27. **Park, J.**, Demiralp, E., Gehring, W. J., & Kitayama, S. (2010, October). *Interdependence modulates the subliminal face priming effects on ERN*. Poster presented at the annual meeting of the Social and Affective Neuroscience Society, Chicago, IL.
28. **Park, J.**, Gehring, W. J., & Kitayama, S. (2010, January). *Cultural difference in the effects of "watching eyes" on the error-related negativity (ERN)*. Poster presented at the Cultural Psychology Preconference at the annual meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
29. **Park, J.**, Kross, E., & Ayduk, O. (2010, January). *The effects of expressive writing on psychological distancing*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
30. **Park, J.**, & Kitayama, S. (2009, January). *Choice and self-knowledge activation*. Poster presented at

the annual meeting of the Society for Personality and Social Psychology, Tampa, FL.

31. Uchida, Y., **Park, J.**, & Kitayama, S. (2008, January). *Explicit and implicit social orientations: independence and interdependence in Japan and the U.S.* Poster presented at the annual meeting of the Society for Personality and Social Psychology, Albuquerque, New Mexico.
32. **Park, J.**, Choi, I., & Suh, E. M. (2006, May). *Work versus relationships among individualists and collectivists.* Poster presented at the annual meeting of the Association for Psychological Science, New York, NY.

TEACHING EXPERIENCES

2017 – 2023	Cultural Diversity and Psychology, Undergraduate course, University of Texas at Dallas
2021 & 2023	Cultural Psychology, Graduate seminar, University of Texas at Dallas
2018 & 2020	Social Neuroscience, Graduate seminar, University of Texas at Dallas
2019 – 2022	Experimental Projects, Undergraduate course, University of Texas at Dallas
2016 – 2017	Social Neuroscience, Graduate seminar, University of Massachusetts, Amherst
2015 – 2016	Cultural Psychology, Undergraduate course, University of Massachusetts, Amherst
2014 – 2015	Emotion, Health, and Psychophysiology Lab Summer Internship, Postdoctoral Instructor; Supervised interns working on psychophysiology research projects and gave a tutorial on cultural neuroscience, University of California, San Francisco
2010 – 2011	Summer Institute in Cultural Neuroscience, Teaching Assistant; Organized an Event-Related Potential (ERP) training session and group discussion sessions, University of Michigan
2009	Introduction to Psychology, Graduate Student Instructor, University of Michigan
2008	Introduction to Social Psychology, Graduate Student Instructor, University of Michigan
2005 – 2006	Introduction to Psychology, Teaching Assistant, Seoul National University, Korea
2004	Introduction to Social Psychology, Teaching Assistant, Seoul National University, Korea

PROFESSIONAL SERVICE

Editorial Board

2023 – Present	Associate Editor, <i>Emotion</i>
2017 – 2022	Editorial Board Member, <i>Journal of Personality and Social Psychology</i> , section <i>Attitudes and Social Cognition</i>
2017 – 2022	Editorial Board Member, <i>Emotion</i>
2015 – 2016	Reviewer Editor, <i>Frontiers in Psychology</i> , section <i>Personality and Social Psychology</i>
2008 – Present	Ad-hoc Reviewer, <i>Asian Journal of Social Psychology</i> ; <i>Biological Psychology</i> ; <i>Brain and Cognition</i> ; <i>British Journal of Social Psychology</i> ; <i>Cognition and Emotion</i> ; <i>Culture and Brain</i> ; <i>Emotion</i> ; <i>International Journal of Psychology</i> ; <i>Journal of Affective Disorders</i> ; <i>Journal of Computer-Mediated Communication</i> ; <i>Journal of Cross-Cultural Psychology</i> ; <i>Journal of Experimental Psychology: General</i> ; <i>Journal of Experimental Social Psychology</i> ; <i>Journal of Nonverbal Behavior</i> ; <i>Journal of Personality and Social Psychology</i> ; <i>Journal of Social and Clinical Psychology</i> ; <i>Journal of Social and Personal Relationships</i> ; <i>Personality and Social Psychology Bulletin</i> ; <i>Perspectives on</i>
